

## Right Angle Grinder Wheels, Cutting - SLITTER C-PRIME

- **C-PRIME** Ceramic cutting performance provides a new level in cutting speed, product life and reduction in vibration that maximizes labor productivity.
- Outstanding cutting performance on both mild steel and high ultra strength stainless steel.
- Weldcote Slitter C-Prime wheels cut 30% faster and last over 2X longer than high-end cutting wheels.
- **TIME is MONEY!** Weldcote C-Prime ceramic grain and unique bond system provides maximum overall value.

Type 1
